

**INT. UNKNOWN-UNKNOWN**

HP  
(struggling sounds)

SFX: Footsteps

HP  
(Angry)  
Malfoy! I should have known you were behind this.

DM  
Stop struggling, Potter. Even the most powerful wizard in the world wouldn't be able to break that Incarcerous spell.

HP  
What do you want, Malfoy?

DM  
Well, I thought that would be obvious.

DM  
(Serious/Threatening)  
Where is the Minister of Magic?

HP  
Fuck you!

DM  
I knew you were going to make this difficult.

SFX: Footsteps

SFX: Unzip

HP  
(Nervous)  
H-H-Hey... what... what are you doing- (breaks into a moan)

SFX: Wet noises

HP

(moaning)

DM:

Well, now I see where you get all that confidence. Ginny was a very lucky girl. Emphasis on was.

DM:

According to The Daily Prophet, you're no longer into redheads.

DM

(Cruel flirting)

Prefer the more blonde, silver eyes, and... masculine type now.

HP

(holding back moans)

What do you plan on doing, Malfoy? Orgasm the truth out of me?

HP

(moaning)

DM

No. Quite the opposite.

DM

You know. I've learned a lot since being out in the world.

HP:

What? You finally learned to get that stick out your ass?  
(breaks into moan)

SFX: Faster wet noises

HP

(moaning)

DM

(sarcasm)

Clever, Potter. See why you were Slughorn's favorite.

DM

No. I've learned about muggles and their fancy contraptions.

DM

Do you know they have wands, too?

SFX: Taking out object

HP

(Shocked)

Is that a...

SFX: Vibrating

HP

(intense moans)

DM

How does that feel, Potter? Do you enjoy the sensation of this muggle gadget running up and down your cock?

HP

(While moaning)

Drac-Malfoy!

HP

(moans that sounds like his close to cumming)

DM

Where is the Minister of Magic?

HP

N-N-No!

SFX: Vibration dies down

HP

(angry and out of breath)

You... asshole...

DM

What's wrong, Potter? Were you close?

DM

I have no problem letting you cum...

DM

... once you give me the information I need.

HP

So, that's your plan? Heh, I always knew you were a  
pervert.

SFX: Wet noises

HP

(moaning)

DM

You're one to talk. Don't think I never noticed the way  
you looked at me during our last year in Hogwarts.

HP

(through moans)

With hatred.

DM

With lust... always lust...

DM

I may have been an asshole but

HP

(through moans)

Still an asshole.

DM

(chuckles) but I was... AM a gorgeous one at that.

DM

Tell me, Potter.

SFX: Faster wet noises

HP  
(intense moaning)

DM  
What did you imagine doing to me back then?

DM  
Pinning me down whenever our arguments got too... intense?

DM  
Shutting me up with a kiss?

DM  
Or maybe you wanted to shut me up with something else?

DM  
Maybe you wanted to take this big throbbing cock and shove  
straight into my-

HP  
(whimpering)  
Draco, please!

DM  
Tell me what I want and I'll let you cum.

DM  
I'll even let you choose where to do it.

DM  
My mouth or my ass, your choice?

HP  
(deep moan)

DM  
(stern)

Tell me!

HP

(Through whimpers and moans)

I can't... please anything else, but not that.

DM

Oh, you know that's not how this works.

SFX: Vibrations

HP

(close to cumming)

DM

Tell me!

HP (through moans)

I-I-I-

DM

I swear to Merlin, I'll shut it off right this second if you don't.

HP

Sweden! He's in Sweden. We hid him in one of the ministries there!

DM

Was that so hard? Now where do you want to cum-

HP

(whimpering/begging)

Your mouth, your mouth. Always your mouth.

DM

(chuckles)

SFX: Vibrations dies down

DM

(Sucks HP's cock)

HP

Yes! Oh, Merlin, yes!

HP

Always, so good, Draco.

DM

(In between sucks)

Give it to me. I want to fucking drown in it.

HP

(long orgasm)

DM

(swallows)

HP

(panting)

DM

(out of breath)

Well, I have to say I'm a bit disappointed in our current aurors, if all it takes is a few minutes of edging to get you guys to breakdown like that.

HP

(out of breath)

Check your legs.

DM

What?

DM

(shocked)

I... I'm stuck. I can't move my legs!?

SFX: Chair squeak

DM

Wait! How are you moving!? The incarcerous spell-

HP

Already undone the second you walked into the room.

HP

(smug)

Which I guess... makes me better than even the greatest wizard.

DM (Upset and Pouty)

You cocky asshole.

HP:

Now, I think it's time for Auror Potter to punish Criminal Draco.

DM

(flustered/nervous)

Wa-wa-wait! The scenes over, Harry. We-we have to pick up the kids.

HP

A few more hours won't kill them. Besides, they love hanging out with Ron and Hermione.

SFX: Footsteps

HP

(stern)

Now... Malfoy

SFX: wet noises

DM

(moaning)

HP

Where is the Minister of Magic?
