

INT. HOUSE - BEDROOM - NIGHT

GHOST

Boo!

GHOST

(laughs but stops once she notices she didn't scare them)

GHOST

(disappointed/pouty)

Aww, you didn't get scared. You used to get scared before.

(pause)

GHOST

Well, yeah I know I'm your girlfriend but I'm still a ghost.

GHOST

Scaring people during the night is what we're best at.

GHOST

(pouty)

It's insulting if you don't at least give me a jump.

GHOST

But on... nighttime activities, I had an ideal we could try out.

GHOST

(sultry)

So you know how we've been learning new ways of getting intimate with each other.

GHOST

(sultry)

It's been fun learning all the unique things we can do because of my lack of a body.

(pause)

GHOST

(annoyed)

(sigh) Yes, I guess it also has been kind of... dangerous.

GHOST

Listen, I said I was sorry. I didn't know my orgasms could cause lightbulbs to break.

GHOST
But we're getting off track.

GHOST
(sultry)
I thought of something new we could try in the bedroom.

GHOST
(amused)
Remember that time your friend was over and I possessed his body and we all thought it was funny.

GHOST
Well... I thought it was funny...

GHOST
It horrified you two.

GHOST
(brushing it off)
But that was before we got together, so all is forgiven.

GHOST
So I thought... maybe I could try possessing your body.

(pause)

GHOST
Oh, it won't be that weird.

GHOST
I mean, you're already fucking a ghost, so how weirder can it get.

GHOST
We'll both experience something new.

GHOST
I get to feel what it's like to have a penis

GHOST
And you'll get to feel what it's like to be completely dominated.

GHOST
(sultry and kind of dommy)

You'll have no control of your body. You'll be under my absolute command.

GHOST

(sultry and kind of dommy)

I'll get to decide when and how you feel pleasure and you'll have no say in the matter.

(pause)

GHOST

(excited)

So you agree to it. Yes!

GHOST

Let me just.

SFX: WOOSH

GHOST

Whoa!

GHOST

Ok...so this is what it's like to be you.

GHOST

Sweetie, are you there?

(pause)

GHOST

Yeah, I can hear you. It's like having a second voice inside my head.

GHOST

Now...

SFX: PANTS BEING TAKEN OFF

GHOST

(sultry)

Oh wow, look at that.

GHOST

Seems like you were more 'excited' about this idea than I realized.

SFX: JACKING OFF

GHOST
(moaning)

GHOST
Ah...ngh...wow...ugh...this...ah...this is...

GHOST
(through moans)
N-no. No. It doesn't feel weird.

GHOST
(through moans)
Just-AH...ngh...new...

GHOST
Oh god!

GHOST
(through moans)
I see why you like me rubbing at the tip so much.

GHOST
(through moans)
It's so... ngk.. ah... s-sensitive

GHOST
(moaning)

GHOST
(through moans)
H-hey, honey. I have an ideal.

SFX: JACKING OFF STOPS

GHOST
(raspy)
(chuckles) Of course. You can already see what I'm thinking.

GHOST
So does that mean you'll let me?

GHOST
(excited gasp)

GHOST
Okay, let me just.

SFX: BED SHEET MOVEMENT

GHOST
I'm just going to put in one finger, okay.

GHOST
(light moans and grunts as she inserts the finger)

GHOST
Your ass feels so hot and tight and-AAH!

GHOST
(panting)
Oh god... I think I touched it... I...

GHOST
(intense moans as she continues to finger herself)

GHOST
(through moans)
OH GOD! IT FEELS SO GOOD!

SFX: FAST JACKING OFF

GHOST
(desperate)
I'm going to cum! I'm going to cum! I'm going to-

GHOST
(intense orgasm)

GHOST
(panting)

GHOST
(out of breath)
That was... that was intense...

GHOST
(out of breath)

I think... I felt both our orgasms combined.

GHOST
(out of breath)
I... oh...

GHOST
Um, sweetie....

GHOST
I think I broke the TV this time.
