D-D-Don't kill me?

SFX: LOUD MONSTER SCREECH

MC  
Fair point. Fair point.

MC  
But consider this...

MC  
In exchange for my release, how about I offer you MY release?

SFX: MONSTER SQUEAL

MC  
My... hero's seed?

MC  
My white potion?

MC  
(Frustrated)  
My semen, beast.

SFX: MONSTER SQUEAK

MC  
I once knick a monster encyclopedia book off an unconscious guard once

SFX: MONSTER SQUEAK

MC  
(Quickly rambles off)  
Nevermind why he was unconscious, he was completely like that before I got there.

MC  
Anyway, the book mentioned that you slime creatures reproduced by extracting the semen from other creatures.

MC  
And I imagine you don't get a lot of creatures coming by here due to the whole, 'killing anything that steps within two feet of your dungeon' thing.

SFX: MONSTER SQUEAK

MC  
So, how bout it. My life... for my seed?

\*PAUSE\*

SFX: SLIME

MC  
(Narration/ Relieved)

I let out a breath I didn't even know I had been holding in as I watch the beast lower itself from attacking.

MC  
(Softly mutters to self)  
I can't believe that worked.

MC  
Well... I guess I should get to it then.

SFX: UNZIP

SFX: SOFT GRUNTING FROM MC

MC  
(Narration)  
I wrapped my hand around my cock, desperately trying to warm the flesh in this frigid dungeon.

SFX: MONSTER SCREECH

MC  
(Confused)  
Huh?

SFX: SQUISH

SFX: MC GRUNT

MC  
(Narration)  
Suddenly, two large slime tendrils shoot from the beast blob-like body and pin my arms to the wall behind me.

SFX: SPLAT

MC  
(Struggling to be released)  
Hey! We had a deal.

SFX: MC STRUGGLING

SFX: SLIME

MC

I watch as another tendril sprouts from the beast's body.

MC  
(Narration)

The new blue appendage slithers its way towards my cock.

MC  
(Gasp)

MC  
(Narration)

It coils around my shaft and begins stroking me.

MC  
Oh, I see. Rather do it by your own hands-uh tentacles-ah!

SFX: MC SOFT BREATHY MOANS

MC  
(Narration/Slightly aroused)

The tentacle moved in a steady rhythmic motion. It slid up and down my shaft, coating my cock so much with its own liquid that I couldn't tell where my pre-cum end and its slime began.

The tentacle uncoils from my penis and slithers towards the droplets of cum.

MC

(Narration)

I watch in awe, as my release is sucked into the slime's body the instance the tentacle touches it.

MC

(Narration)

I guess I don't have to worry about changing my armor at least

MC

Well, that was fun but I really should-Ah!

MC

(Narration)

The two tentacles that had pinned me to the wall was now lifting me up in the air.

MC

What now?

MC

(Narration)

Another tentacle shoots out from the beast and it yanks my pants off me in one swift motion.

SFX: SLIME

SFX: PANTS FALL

MC

(Narration)

Two more tentacles spring into the air.

MC

(Narration)

Each one grabs a hold of one of my legs and spreads them wide apart.

MC

(Shocked)

Wait... do you want more?

SFX: SLIME SQUEAK

MC

Sorry to disappoint you, pal, but there is this thing called a refraction per-oh..

SFX: MC LIGHT MOANING

MC

(Narration)

I was so focused on the creature that I must have missed the tentacle that had snuck behind me.

MC

(Narration)

But I could feel it now.

MC  
(Narration/Slightly aroused)  
Slowly sliding in between my ass cheeks

MC  
(Aroused)  
Looks like I'm not the only one who's been doing their research.

MC  
(Aroused)  
So you wanna go in there, huh?

MC  
(Aroused)  
I haven't... I never... listen just go slo-NgH-ah—uh!

SFX: SLIME

SFX: SOFT MOANS AND GRUNTS

MC

MC  
(Narration/Aroused)  
I could feel it twitching inside me.

MC  
(Narration/Aroused)  
The ends of it lightly stroking my inner walls as if was exploring some hidden cave.

MC  
(Aroused)  
... haa... haah... aah!

MC  
(Narration/Aroused)  
Another tentacle was now once again wrapped around my cock.

SFX: HARSHER MOANS AND PANTS

MC

(Narration/Aroused)

It stroke me at a rapid pace, trying to get it to rise again.

MC

SFX: MC GRUNTING, MOANING, AND PANTING

MC

(Narration/Aroused)

With each thrust inside me, the tentacle hit that spot that caused my vision to go briefly white with each touch.

MC

(Aroused)

Ooooh... fuck...

SFX: MONSTER SQUEAL

MC

(Narration/Aroused)

My cock was now hardening rapidly. Much to the delight of the creature.

MC

(Narration/Aroused)

The tentacles wrapped around my cock focused much attention around the head.

MC

(Narration/Aroused)

Squeezing and massaging it, clearly hoping that the ministrations would coax it into releasing once more.

MC

(Narration/Aroused)

I then felt another tentacle near my asshole.

MC

(Narration/Aroused)

It wiggled against my entrance as it tried to squeeze in with the other tentacle.

SFX: SLIME

MC

(Aroused)

You seriously don't think that two is going to fiii-fuuuaah

SFX: FAST SQUISHING SLAPS

MC

(Narration/Aroused)

It was tight but Jesus was the creature determined.

MC

(Narration/Aroused)

Both of the tentacles were in my ass now and they weren't holding back.

MC

(Narration/Aroused)

Stars were the only thing I saw before me as the tentacles alternated in and out at piston-like speed, the nerve unable to get even a second of rest.

MC

(Narration/Aroused)

Adding on to the sensation was still the tentacle around my cock, which was moving at a rapid pace once again.

MC  
(Aroused)  
Haah... unnf.. aah... too

MC  
(Aroused)  
Haah... too good.. aah

MC  
(Aroused)  
This feels too good-aaah

MC  
(Narration/Aroused)  
I felt the familiar sensation of my balls tightening and could only shut my eyes in pleasure as I felt my release hit once more.

MC

The cum droplets dissolving the second they sink into the creature's body.

SFX: MONSTER SQUEAK

MC

MC  
(Out of breath)

SFX: POWER UP JINGLE

The tentacles wrap around me thicken, their girth now 3 times bigger than what they were before.

SFX: SQUISH

MC

SFX: MONSTER SQUEAL

MC

Something inside... not my ass this time but...

MC  
(Narration/Aroused)  
I looked down to see the tail end of the tentacle wrapped around my dick, was now thrusting inside the hole of my penis.

MC  
(Narration/Aroused)  
I can feel it plunging inside me. The tip hitting the same nerve that was continually being plumbed inside my ass.

MC  
(Keening pitiful choked moan)  
Ah... Ahh... AAh

MC  
AUGH!

MC  
(Narration/Aroused)

Another pair of tentacles slip beneath my shirt and began to tweak and twist at my nipples.

SFX: MONSTER SQUEAL

MC  
(Narration/Aroused)

My cock was already twitching like mad but the added stimulation to my nipples made it practically vibrate.

MC  
(Through moans)  
This was a trap

MC  
(Through moans)  
You are going to kill me

MC  
(Through moans)  
You're going to kill me by fucking me out my god damn mind-AH!

MC  
(Narration/Aroused)  
My mind was gone. Nothing more than a complete haze of lust

MC  
(Narration/Aroused)  
My body was twitching non-stop.

MC  
(Narration/Aroused)  
It was being assaulted from all sides and didn't know where to turn

MC  
(Narration/Aroused)  
The tentacles in my ass weren't slowing down if anything there were going faster now.

MC

(Narration/Aroused)

I could feel the tentacle inside my penis twirling around. Spinning against my nerve ending like a screwdriver.

MC

(Narration/Aroused)

The tentacles on my chest weren't giving up either.

MC

(Narration/aroused)

They continued to suck at my teat like a newborn babe.

SFX: MONSTER SQUEAL

MC

(Narration/Aroused)

It was too much... it was just too much

MC

(Pitiful moan)

I can't... I can't...

MC

(Narrated/Aroused)

My eyes rolled to the back of my head before I even knew what was happening

MC

(Narrated/Aroused)

My body suddenly went rigid, as I felt one of the most powerful orgasms I have ever had shake through my core.
