

INCUBUS  
(sexy dark laugh)

INCUBUS  
(sexy)  
Why... hello, there human.

INCUBUS  
(sexy)  
What can I do for you this fine evening?

INCUBUS  
(sexy dark chuckle)  
Too nervous to answer?

INCUBUS  
(sexy)  
Well, that's okay. I'm pretty sure I know why you summoned me.

INCUBUS  
(sexy)  
You wish to experience the pleasure, that only a demon such as I can give. Well, that's no problem.

INCUBUS  
(sexy)  
What are you in the mood for tonight?

INCUBUS  
(sexy)  
We can go vanilla or to the very extreme.

INCUBUS  
(sexy)  
Anal, spanking, rough, chains, sounding, you name it, I'll do it.

INCUBUS  
(taken aback)  
I-sorry... is there a problem?

INCUBUS  
No, it's just... you're not reacting in the typical way a person is supposed to when they have a literal sex demon in front of them.

INCUBUS

(offended)

Are you... are you not entertained? Do I not appeal to you?

INCUBUS

(offended)

Do you not see this body!? I'm built like a freaking adonis god.

INCUBUS

(offended)

Do you hear this accent!? I can get people wet just by saying the word 'moist'.

INCUBUS

(offended)

And this cock!

SFX: FLESH HIT

INCUBUS

(offended)

I've wrecked so many holes with this thing.

INCUBUS

(offended)

So what's the deal?

INCUBUS

Oh... you're... you're ace... as in asexual?

INCUBUS

Then why the hell did you summon me?

INCUBUS

Well.. yeah. I guess your body is still going to do what it's going to do.

INCUBUS

(sexy)

So, why don't we take that big, juicy cock of yours and-

INCUBUS

Wow! Really? That does absolutely nothing for you, huh?

INCUBUS

(thinking to self)

Okay... let's see here. How do I do this? How do I do this?

INCUBUS

No. No. No. Don't send me back.

INCUBUS

I am 100% a hoe-fessional.

INCUBUS

I can figure this out.

INCUBUS

(came up with an ideal)

Ah! I got it.

INCUBUS

First, some music.

INCUBUS

Let me just take out my phone.

INCUBUS

Well, yeah, we have phones. We basically created the term 'You up?'.

INCUBUS

Okay, now. Let see...

SFX: SEXY MUSIC

INCUBUS

No.

SFX: SEXY MUSIC

INCUBUS

Definitely not.

SFX: CALMING MUSIC

INCUBUS

Ah, perfect.

INCUBUS

Okay, so I want you to take your clothes off.

INCUBUS

Now lay back on your bed.

INCUBUS

(calm and gentle)

Good. Now, I want you to breathe in and out.

INCUBUS

Take in deep calming breaths and empty your mind.

INCUBUS

Forget about work, the world, and any stressful situations you may be dealing with.

INCUBUS

Right now, only focus on you and your needs.

INCUBUS

Now, I'm going to put my hands on your body and when I do, I want you to focus on them and the way they feel on your skin.

SFX: RUBBING

INCUBUS

How does that feel?

INCUBUS

Are you concentrating on the warmth of my hands?... The texture?

INCUBUS

Feel as they caress your chest and arms...

INCUBUS

Now... I'm going to bring my hands lower.

INCUBUS

When I do, I want you to take any stress, anxiety, or worry you're feeling and let them travel with me.

INCUBUS

Feel as my hands drift lower... bring all that stress with me...

INCUBUS

Did you carry it down?

INCUBUS

Good.

INCUBUS

Now we need to get rid of all this tension. So focus on my fingers as they rub circles around your shaft.

INCUBUS

My hands were carrying all your stress, but now I'm placing them right here, all into your cock.

INCUBUS

Feel as your dick tense and harden with all your worries.

INCUBUS

It's uncomfortable, isn't it?

INCUBUS

So, let's get rid of it.

INCUBUS

Focus on the tip of your penis. Feel as the warmth of my hand cups around it.

INCUBUS

You feel that? The gentle rotation of my hand moving on the peak of your tension.

INCUBUS

No, no, no. Don't try to cover your moans.

INCUBUS

Let them out.

INCUBUS

It's just a sign of the negative energy leaving your body.

INCUBUS

Your cock, too.

INCUBUS

You can feel it starting to leak, can't you?

INCUBUS

I think it's time we finally get rid of this pressure.

INCUBUS

Feel as my hand goes from the head... all the way down to the shaft.

INCUBUS

From the head... down to the shaft...

INCUBUS

Head... shaft.... head... shaft

INCUBUS

Now, let's speed it up.

INCUBUS

Head. Shaft. Head. Shaft. Head. Shaft. Head. Shaft.

INCUBUS

It's building, isn't it? You feel it wanting to come out.

INCUBUS

(faster)

Head. Shaft. Head. Shaft. Head. Shaft. Head. Shaft.

INCUBUS

(encouraging)

Come on, come on. You're almost there.

INCUBUS

(faster)

Head. Shaft. Head. Shaft. Head. Shaft. Head. Shaft. Head-

INCUBUS

Yes! Yes, that's it.

INCUBUS

Let it out. Let it all out.

INCUBUS

Your worries, your stress. That what's being released from your body right now.

INCUBUS

Just a few more droplets of tension left and.... good.

INCUBUS

You feel how relaxed your body is now. Take in that sensation.

INCUBUS

Breath in and out slowly as you allow the wave of your release wash over you.

INCUBUS

1...2...3...

SFX: MUSIC OFF

INCUBUS

(not talking in a calm and gentle tone anymore)

And we're done.

INCUBUS

(cocky)

I truly amazed myself sometimes.

INCUBUS

Oh, what's this?

INCUBUS

It's just a vial of your cum.

INCUBUS

We sex demons use it to birth our offspri-I mean-don't worry about it.

INCUBUS

Here's my card, in case you have any friends who need my services.

INCUBUS

I do weddings, funerals, and college graduations.

INCUBUS

I'm also fun at parties... especially orgies.

INCUBUS

Well, if you ever need me again. You know which Necronomicon to look me up in.

INCUBUS  
See ya.
