

ORC

Huh, so you came.

ORC

I can't believe a puny human like you think you're good enough to be part of the orc's army.

ORC

Well, if you're so confident, let's see you past the test.

ORC

One on one combat. You defeat me, and you're in.

ORC

Understand... good. Let's begin.

SFX: CLOTHES FALL TO THE GROUND

ORC

What's wrong, human?

ORC

Why do you stare at me as if I'm a two-headed hydra?

ORC

Didn't you know this is how initiation combat is done?

ORC

If you can fight naked, you can fight under any condition.

ORC

Now take off those rags you call clothes so we can start the fight.

SFX: CLOTHES BEING TAKEN OFF

ORC

Hmm, not bad..

ORC  
(cocky/smug)  
... but not me

SFX: LIQUID IN BOTTLE

ORC  
Here, take oil and rub it over my body.

(pause)

ORC  
Again with the staring.

ORC  
For you to be so eager to join, I think you would have done  
your research on orc customs.

ORC  
Now take this oil and rub me down.

ORC  
Quickly, we don't have all day.

SFX: LIQUID

ORC  
(content moan)

ORC  
Mmm, yes.

ORC  
(chuckle)

ORC  
(amused)  
I can feel your hands trembling on my skin.

ORC  
(amused)  
What's wrong?

ORC  
(amused)  
Frightened by the girth and massiveness of my body.

ORC  
(demand)  
Go lower. You're not done yet.

SFX: LIQUID

(pause)

ORC  
(threaten)  
If you leave your mouth that wide open near my cock, I'll  
take it as an invitation that you want it between your  
lips.

SFX: LIQUID

ORC  
Okay, enough.

ORC  
Now you.

SFX: LIQUID

ORC  
Hmph, already squirming under my touch and the match has  
yet to start... pathetic.

ORC  
What are those sounds coming out of your mouth?

ORC

Are your nipples that sensitive?

ORC

Letting your weak points be known so early in a match...  
this will be over quickly.

SFX: LIQUID

ORC

Okay, enough.

SFX: BOTTLE DROP

ORC

When I say so we start.

ORC

Do your worst...

ORC

1, 2, 3, go!

ORC

(grunting)

ORC

(through grunts)

I admit... you're stronger than I expected.

ORC

But I'm stronger

ORC

(loud grunt)

SFX: BODY FALL

ORC

(grunting)

ORC

(while wrestling)

Come on, human. I know you can do better than this.

ORC

(while wrestling)

Would you allow your opponent to pin you to the ground so easily if this was a real match?

ORC

(while wrestling)

Fight back, damn you.

ORC

(while wrestling)

How are you that red in the face already? We've barely even started.

ORC

(while wrestling)

I-

(pause)

ORC

Human...

ORC

The dripping from between your legs, ... that's not from the oil is it.

ORC

(chuckle)

ORC

Well, well, well... it seems I found out the actual reason why you wanted to join the army.

ORC  
(chuckle)

ORC  
(dom)  
Turn around!

ORC  
(dom)  
Open your legs..

ORC  
(dom)  
Wider!

ORC  
That's a good human.

ORC  
Now let me just..

SFX: FINGERING

ORC  
Mmm, so wet and warm.

ORC  
Hmmp, look at how you squirm

ORC  
Human hands must feel so soft and dainty compared to that  
of an orc's.

ORC  
Do you like these thick calloused fingers pushing inside  
you?

ORC

What if I pushed them in deeper?

SFX: FINGERING

ORC

Now that's a yell of a warrior.

ORC

(aroused)

Damn, those sounds coming out of your mouth has got me so  
riled up

ORC

To hell with it.

ORC

(dom)

Raise your legs up!

ORC

(dom)

Now bend them all the way back to your head.

ORC

Yes, I want you on full display for me.

ORC

(grunting while penetrating)

ORC

(through grunts and moans)

By the horde, it's like sinking into warm silk

ORC

(rhythmic grunting and moaning)

ORC

(through grunts and moans)

The way you grip me... ah... it's like your cunt doesn't  
want to let me go.

ORC

(through grunts and moans)

Don't bother trying to hide your moans, boy.

ORC

(through grunts and moans)

I'm sure the horde can already smell what we're doing from  
miles away.

ORC

(through grunts and moans)

They might even consider joining us.

ORC

(through grunts and moans)

Would you like that, human?

ORC

(through grunts and moans)

To be used like a cocksleeve by the entire orc army

ORC

(Through grunts and moans)

By the way you're tightening around me, I'll say that's a  
yes.

ORC

(faster rhythmic grunting and moaning)

ORC

(through grunts and moans)

Cum with me! Cum with your orc master!

ORC

(hard orgasm)

ORC

(heavy panting)

ORC

(while panting)

Yes... you'll fit nicely with the horde.
