Forcing people to take part in this trend is wrong. Sexual

Soon No Nut November won't be just a month.

Time for Sailor Bottom Says.

SAILOR BOTTOM  
Do you know that there are many benefits to masturbation?

SAILOR BOTTOM  
It can reduce stress, help you sleep better, and even  
improve your self-esteem and body image.

SAILOR BOTTOM  
But remember, just like all good things in life, do it  
within moderation.

SAILOR BOTTOM  
See you next time.
