

SHADOW

Ooooo, What this?

SHADOW

Has a poor little lamb found its way into my forest?

SHADOW

Who am I?

SHADOW

Oh, I think you know very well who... or what I am.

SHADOW

The devil that haunts your village's dreams.

SHADOW

The creature you tell your children stories about.

SHADOW

The monster of the Lakewood forest.

SHADOW

Tell me mortal, how is it you have found yourself into my woods?

SHADOW

Were the tells of horror that you've heard not enough to keep you away?

SHADOW

(amused)

Ha! A dare!

SHADOW

You risk your life all for the sake of a childish challenge?

SHADOW

You humans, forever such foolish creatures...

SHADOW

(intrigued)

... and yet....

SHADOW

I notice the way your body shakes in fear, yet you do not run away. Why is that?

SHADOW

My, my. You are a strange mortal.

SHADOW

Curious? About me?

SHADOW

Normally, I would have killed by now, but...

SHADOW

I can't help but you find you interesting...

SHADOW

Come closer.

SHADOW

Heh, now you hesitate?

SHADOW

I told you, if I wanted to kill you, I would have done so already.

SHADOW

Yes, that's a good little lamb.

SHADOW

(chuckle) Surprised?

SHADOW

You feel hands on your body yet you cannot see them?

SHADOW

I may be a creature of darkness, but I can still touch and feel like you do.

SHADOW

(frustrated)

Uh, you humans and your obsession with braided hair.

SHADOW

(satisfied)

Ah, there we are. Much better.

SHADOW

With the way your hair halos around your face, it almost makes you look like an angel.

SHADOW
(musing to himself)
(chuckles) A light to my dark.

SHADOW
Your cheeks are so round and soft.

SHADOW
They remind me of the chipmunks that lived amongst these woods.

SHADOW
(amused/intrigued)
Oh, well. This is new.

SHADOW
The flush on your face. The heat in your eye.

SHADOW
Have I made you mad, little lamb.

SHADOW
(amused/intrigued)
Never, in all my existence, have I ever had a human show anger towards me.

SHADOW
Fear, unease, dread. Of course. But anger?

SHADOW
Fat? You think I was trying to call you... fat?

SHADOW
And what does this 'fat' word mean?

SHADOW
I see.

SHADOW
Well, now that I look you over, you do appear to be larger than most humans I've encountered.

SHADOW
(disbelief)
Did you just...

SHADOW

Did you just try to slap a creature of pure darkness and horror?

SHADOW

My, my you are a ballsy one?

SHADOW

Calm down, human.

SHADOW

I don't know why you care but your figure matters not to me.

SHADOW

(tsundere)

I will never admit to finding a species of an inferior race attractive but...

SHADOW

(tsundere)

... but you possessing more flesh than the average human doesn't make me find you any... less appealing.

SHADOW

Do you feel my hand traveling up your thigh?

SHADOW

Tell me... does the thickness of your thighs make my touch less enjoyable?

SHADOW

How about if I bring it up higher?

SHADOW

Would your heart be pacing any differently now than if you were smaller?

SHADOW

(lustful)

What if I... slip my fingers in?

SHADOW

Oh, such a nice moan.

SHADOW

Sounds just the same as a smaller creature experiencing pleasure.

SHADOW

You're trembling again, little lamb, but this time I have a feeling it's not from fear.

SHADOW
(arousal)

The way your chest heaves, the sobs of pleasure that pour from your mouth, your dilated pupils.

SHADOW
(arousal)

I swear little lamb, you are causing something to stir in me I never even realized was possible.

SHADOW
(excite arousal)
Disrobe.

SHADOW
(excited arousal)

I want to consume you in a way I never consumed a human before.

SFX: CLOTHES OFF

SHADOW
(speaking to themselves)
I truly don't understand it.

SHADOW
How can something so beautiful see itself as ugly just because-

SHADOW
(snapping out of it)
Nevermind.

SHADOW
Lay on the ground for me.

SHADOW
Oooh, little lamb. How I plan to enjoy you.

SHADOW
(moaning/grunting as he enters her)

SHADOW
(through moans)
Oh, the heat of you.

SHADOW

(through moans)
And the way you tighten around me.

SHADOW
(through moans)
Do all humans feel this good?

SHADOW
(grunting and moaning)

SHADOW
(through moans)
Oh, yes, human. Fill this forest with your cries.

SHADOW
(through moans)
I want the entire village to hear you.

SHADOW
(grunting and moaning)

SHADOW
(through moans)
You're so warm and wet.

SHADOW
(through moans)
And the way your body shudders for me.

SHADOW
Does the act of being fucked by something you can't see, let alone comprehend, excite you that much?

SHADOW
(through moans)
Do you like that humans?

SHADOW
(through moans)
My shadowing fingers rubbing over your pink nub as I plunge inside you. (chuckle)

SHADOW
(holding back from cumming)
Ah! I can... ngh... feel you tighten around me!

SHADOW
Yes. Cum for me.

SHADOW
Let my darkness consume you.

SHADOW
(orgasms)

SHADOW
(panting)

SHADOW
(out of breath)
Oh, little lamb...

SHADOW
(out of breath)
I think I want you visiting my forest more often from now on.
