

SCENE 1

EXT. PARK - NIGHT

SILVER
(in the distance)
Hey, look over there.

FANG
(in the distance/worried)
What?! Why are they here?

SILVER
(in the distance)
(hushing Fang)

SFX: GRASSY FOOTSTEPS

SILVER
(friendly but a little awkward)
Uh, hey...how are you?

SILVER
Um, I can't help but notice I've never seen you around here.

SILVER
(defensive)
Not.. not trying to be rude, but you know... with this being a small town and all.

SILVER
(realization)
Ah, so you just moved here.

SILVER
(mumbling to himself)
That would explain it.

SFX: SNIFFING

FANG
(aroused)
Mmm, they smell good, Silver. Real good.

SILVER
(warning)
Fang...

SILVER
(friendly/addressing them)
Sorry about that.

SILVER
Anyway, you wouldn't know this, seeing how you're new, but there is a curfew that people follow
in this town.

SILVER
Helps keep people safe.

FANG
Especially around this moon cycle.

SILVER
(warning)
Fang!

SILVER
(caught off guard)
Oh... why are... we out?

SILVER
(lying)
Well... we.. were... just heading back.

SILVER
In fact, we can walk you to your car, if you like?

(aroused/whispering)

And that ass.

SILVER
(whispering)
Not so loud.

SILVER
(making up a lie/ addressing them)
Oh, us? We're... we're just talking about... books.

SILVER
How about you? Read any good breeding-uh, I mean reading material.

FANG
(amused)
Hah! Having problems controlling the beast?

SILVER
(annoyed and embarrassed)
Shut up.

SFX: WOLF HOWLS IN THE DISTANCE

FANG and SILVER
(grunting and groaning)

FANG
(while grunting and groaning)
Damn...it's... happening...

SILVER
(addressing them/ while grunting and groaning)
No... stay back!

SILVER
It's not safe.

FANG and SILVER

(pained)
Aaah!

SILVER and FANG
(panting)

FANG
(aroused)
You smell that.

SILVER
(aroused)
Yeah, their arousal just spiked...

SCENE 3

EXT. PARK - NIGHT

SFX: FABRIC RIP

SILVER
(annoyed)
God damn it! Watch it. You could have sunk your claws into them.

FANG
Oh, I plan on sinking something into them, alright.

SFX: INSERTION

FANG
(grunting or moaning as he penetrates them)

FANG
(while grunting or moaning)
Fuck! It's like they are sucking me in.

SILVER
(aroused)
They're practically dripping at the front.

SFX: WET NOISES

FANG
(excited)

Oh! Keep doing that.

FANG
(while moaning)
I can feel them tightening around me.

FANG
Fuck... I'm ready to burst.

FANG
Get in here before I start without you.

SFX: INSERTION

SILVER
Holy shit!

FANG
I told you.

SILVER
Tell us to stop if it gets too much.

SILVER
We're usually gentle but (chuckles) time of the month and all...

SFX: WET PLAPS

FANG and SILVER
(grunting and moaning)

SFX: WET NOISES

FANG
(while grunting and moaning)
Me... too...

FANG and SILVER
(orgasms)

FANG and SILVER
(panting)

SILVER
(awkward and out of breath)
Yeah...so...um...if you haven't guessed by now, this is a town full of werewolves.

SILVER
Um...it's going to be awhile before we can pull out.

SILVER
You-You've been double knotted.

FANG
(amused)
Welcome to the neighborhood.
