

SCENE 1

SFX: KNOCKING
SFX: DOOR OPEN

CULT MEMBER
Hello, neighbor. Have you heard about the House of Gable?

SFX: DOOR SLAM

CULT MEMBER
(yelling)
Please open up! I promise you it's not what you think.

SFX: DOOR OPEN

CULT MEMBER
(sigh of relief) Thank you.

CULT MEMBER
House of Gable is not a religion, it is a way of life.

CULT MEMBER
We believe in a higher power. One that passes all religions and gods.

CULT MEMBER
I could tell you more...if you let me in.

SFX: FOOTSTEPS
SFX: DOOR SHUT

CULT MEMBER
Thank you. I-

CULT MEMBER
(slightly flustered)
Uh...N-N-Neighbor, excuse me for being rude, but I can't help but notice your state of minor undress.

CULT MEMBER
I'm aware that I may have caught you as you were just getting out of bed. Do you maybe want to take a few moments to get properly clothed?

CULT MEMBER

(slightly flustered)
N-No? Well...I guess it is your house after all.

CULT MEMBER
Oh, yes. About House of Gable.

SFX: WALKING

CULT MEMBER
House of Gable believes in honing your spiritual energy and using it to be more productive.

CULT MEMBER
Productivity is the number one way to thank Mother Earth for her gift of life.

CULT MEMBER
But of course, there are man-made demons we have created to keep us from being fruitful.

CULT MEMBER
Television, books, hobbies, the internet.

CULT MEMBER
But do you know what's one of the worst demons of all?

SFX: SIT DOWN

CULT MEMBER
Sex...

CULT MEMBER
(chastising)
Sex is only an act that should be done to create life.

CULT MEMBER
It should be done quickly and efficiently to not waste any energy that could be put to better use elsewhere.

CULT MEMBER
But we as a society have grown too obsessed with its pleasure.

CULT MEMBER
It has distracted us, broken families, ruined societies.

CULT MEMBER

That's why members of the House of Gable follow a strict no-sex policy.

CULT MEMBER

We do not consume any form of pornography; we do not masturbate; we don't even use the unholy f-word.

CULT MEMBER

And most important of all, we do not have sex.

CULT MEMBER

So...are you interested in joining?

SCENE 2

CULT MEMBER

Now, these ideas may sound a bit extreme to you, but I promise-

CULT MEMBER

What?

CULT MEMBER

(embarrassed)

O-Oh...um...I...um...(awkwardly clears throat) I see...

CULT MEMBER

I seem to have a minor...disturbance in my pants.

CULT MEMBER

At the House, we see moments like these as Mother Earth trying to test our faith.

CULT MEMBER

It happens from time to time. I'm guessing it happened this time due to your..

CULT MEMBER

(flustered)

...due to your...state of...undress. Are you sure you don't want to put on more clothes?

CULT MEMBER

F-fine, then. Anyway, as I was saying.

CULT MEMBER

Wh-what? You want to help me get rid of it?

CULT MEMBER

I-I understand you're just being kind, neighbor, but remember I am a member of the house. I do not allow my body to take part in such acts.

CULT MEMBER

Besides, I'll have you know that my spiritual energy is strong. I was born into the organization, so my body has fought temptation for over 40 years now.

CULT MEMBER

The father of the house has even told me that my resolve is so powerful, that he believes nothing could ever break me.

CULT MEMBER

A...a test?

CULT MEMBER

You want to test our theory-I mean- faith?

CULT MEMBER

(insulted)

Of course, I believe in the House of Gable

CULT MEMBER

Fine! You want to test my faith, go ahead. You'll realize quickly that your perversions have no power on a member of the house.

SFX: UNZIP

CULT MEMBER

(surprised gasp)

CULT MEMBER

(pretending to be disgusted but actually aroused)

Look at how it's pulsing with sin. I can't believe people outside the house actually enjoy touching such a sinful thing.

SFX: GRAB

CULT MEMBER

Ah!

CULT MEMBER

(aroused)

Wow...neighbor, you sure have a tight grip.

SFX: PLAPS

CULT MEMBER
(trying to resist moaning, but some do come through)

SCENE 3

CULT MEMBER
(trying to resist moaning, but some do come through)

CULT MEMBER
(while resisting to moan)
Wh-what? You want me to talk about the house more?

CULT MEMBER
I guess that would be productive while you do-nnggh-this.

CULT MEMBER
(while resisting to moan)
The house was founded by our father, Gable Bangel, in 1966.

CULT MEMBER
In started as a religious group but turned into something more-

SFX: FASTER PLAPS

CULT MEMBER
(moans)
Oh, Mother Earth!

CULT MEMBER
B-by...by 2014...it...uh...it had over 10 thousand members.

CULT MEMBER
People from all over the world have-

CULT MEMBER
N-N-Neighbor! What are you doing?

SFX: WET POP

CULT MEMBER
Why are you bringing your mouth towards my-(breaks off into a loud moan)

CULT MEMBER
(moaning)

CULT MEMBER
(through moans)
I can believe you actually put your mouth-AH!

CULT MEMBER
(through moans)
That is so-argh!

CULT MEMBER
(moaning)

CULT MEMBER
(surprised gasp)

CULT MEMBER
(through moans/shocked)
Did you just put your fingers inside my-

CULT MEMBER
Disgusting! Why would you do that-

CULT MEMBER
(loud moan signifying the listener just hit that prostate)

CULT MEMBER
Heavenly goddess above what was that.

CULT MEMBER
You hit something and my entire body just-

CULT MEMBER
Please! Please! Hit it again!

CULT MEMBER
(loud moaning)

SCENE 4

CULT MEMBER
(loud moaning)

CULT MEMBER
(delirious)
Yes! Don't Stop! Keep fucking me!

CULT MEMBER
Feel so good!

CULT MEMBER
(loud moaning)

CULT MEMBER
(moans signifying he's about to cum)

CULT MEMBER
Wh-what's happening! My body..(moans).something...(moans) something coming out-
(breaks off into an orgasm)

CULT MEMBER
(panting)

CULT MEMBER
(out of breath)
I feel so...calm and...light...

CULT MEMBER
(out of breath)
Neighbor...what religion are you a part of? I may be looking into converting.
