CATBOY
(Bratty)
Wake up! I'm hungry!

CATBOY
(Whiny)
Come on! I haven't eaten in FOUR. HOURS!

CATBOY
(insulted)
You're tired!?? I'm the one who's tired! I only got 12 hours of sleep yesterday.

CATBOY
I had to wake up early to shoot bottle caps and trash under the couch.

CATBOY
(annoyed)
Which I wouldn't even have to do if SOMEBODY didn't throw away the collection that had already been there.

SFX: GETTING OUT OF BED

CATBOY
Ugh! Finally, you're getting up.

CATBOY
I want wet food this time. Not that hard pebble shit you keep trying to feed me.

SFX: ROOM AMBIENCE
SFX: CARPET/FABRIC RIP

CATBOY
What? I need to remove the dead outer layers of my claws!

SFX: CARPET/FABRIC RIP

CATBOY
No! I don't want to use that cheap cardboard scratching post you got me.

CATBOY
(as if explaining to someone dumb)
Maybe if you gave me a carpeted scratching post. I wouldn't have to RIP YOUR
CARPET.

CATBOY
(awe)
Ooooo. Is that a cup on a counter?

SFX: GLASS CUP MOVING ON TABLE

CATBOY
(scoff)
It's not going to fall.

SFX: GLASS CUP MOVING ON TABLE

CATBOY
Listen, I have to do this. What if a mouse is behind it? You wouldn't want one of those
little bastards running around, would you?

SFX: GLASS CUP MOVING ON TABLE
SFX: GLASS FALLS AND BREAK

CATBOY
Oops

CATBOY
(still being an annoying brat even through the moans)
You're so rough today, Daddy. Did your kitten piss you off-AAAH!

SFX: FASTER HARD PLAPS

CATBOY
(fast rhythmic bottom moans)

SFX: PLAPS STOP

CATBOY
(panting and gasping for breath)

CATBOY
(out of breath)
Daddy...why'd you stop?

CATBOY
(begging)
Please! Please move!

CATBOY
(desperate begging)
I promise I'll be a good little kitten from now on! I won't rip up the carpet anymore. I won't wake you while you're sleeping.

CATBOY
(near tears begging)
Please, daddy, I need it!

SFX: HARD PLAPS

CATBOY
AH!

CATBOY
(delirious)
Yes, daddy! Fuck me! Fuck me with your giant clit!

CATBOY
(fast rhythmic bottom moans)

CATBOY
(through moans)

CATBOY
(out of breath)
Can I still get a new cat post?
