SFX: WATER MOVEMENT

SID

(excited)

Ah! You came!

SID

I was starting to get worried that you changed your mind on
this but-

SID

Nevermind that. Please...join me in the water.

SFX: WATER MOVEMENT

SID

I hope I'm not being too forward when I say this, but your
figure is quite lovely.

SID

(aroused)

Didn't know that under all those weapons and armor was...this..

SID

(snapping out of daze)

But enough about that.

SID

You came here to fill an agreement, so I won't keep you waiting
much longer.

SID

First, I must prepare your body with the proper lube.

SID

(sweet)

I would hate for you to feel any discomfort throughout this
process.

SFX: BIG WATER MOVEMENT/SPLASHES

SID

(hearty laugh) Don't worry, small one, I got a good hold of
you. Now, try not to move around as I prepare you.

SFX: WATER MOVEMENT

SFX: LUBE

SID

(aroused daze)

You're so soft and pink back here. And the warmth...

SID

(snapping out of it)

Uh...s-s-sorry. I think I was getting a bit carried away there.

SID

(praising)

I'm proud of you, small one. You took my fingers so well.

SID

Now, let's hope you can do the same for the rest of me.
