

SFX: KNOCKING  
SFX: FOOTSTEPS  
SFX: DOOR OPEN

SPEAKER  
(surprised)  
You're here!

SPEAKER  
(awkward)  
I mean...of course...you're here. You said you were coming over-

SPEAKER  
(embarrassed)  
Sorry, I'm babbling. Please come in.

SFX: FOOTSTEPS  
SFX: DOOR SHUT  
SFX: SIT DOWN

SPEAKER  
(nervous/awkward)  
This feels so weird....like a dream...like a weird dream...

SPEAKER  
I know we've talked a lot over discord and Skype and on the phone...

SPEAKER  
But...to see you in person...

SFX: SIT DOWN

SPEAKER  
It's just been so weird since the pandemic.

SPEAKER  
I've barely left the house or even talk to another person face to face in-

SPEAKER  
(frustrated)  
No!

SPEAKER

I don't want to talk about that right now.

SPEAKER

This moment...this time we have...it's only about us.

SPEAKER

(nervous)

Is it okay...if I touch you?

SPEAKER

(embarrassed)

I know we're lovers, but with everything going on-

SPEAKER

(surprised)

Oh! So...it's fine.

SFX: RUBBING

SPEAKER

(laugh) God, I feel like such a weirdo.

SPEAKER

Touching you like this, like...like some alien coming in contact with a human for the first time.

SPEAKER

(longing)

But I've missed being able to do this.

SPEAKER

Caressing you...holding hands...

SPEAKER

(nostalgic)

Remember, being out in public together? Walking out in the park or going to the beach.

SPEAKER

(amused)

We used to get so many complaints about our PDA.

SPEAKER

(joking)

Well, I hope they enjoyed the moment of peace they had this year.

SPEAKER  
(nervous)  
Can I...can I kiss you?

SPEAKER  
Or maybe that's too risky-

SPEAKER  
(being shut by a kiss that turns to making out)

SFX: KISSING

SPEAKER  
(breathy and excited)  
(sigh) I forgot how soft your lips are.

SPEAKER  
(more kissing/making out)

SFX: KISSING

SPEAKER  
(breathy and excited)  
No, no. I don't want to do that.

SPEAKER  
(breathy and excited)  
I mean. I do. Lord knows my vibrator could use a break at this point (laughs)

SPEAKER  
(breathy and excited)  
But right now...just don't stop kissing me.

SPEAKER  
(more kissing/making out)

SPEAKER  
(breathy)  
I don't know what's gotten over me. It's only kissing but-

SFX: KISSING

SPEAKER

(more kissing/making out)

SFX: KISSING

SPEAKER

(breathy)

It's been so long. I feel like I'm about to-to-to

SPEAKER

(intense orgasm)

SPEAKER

(panting)

SPEAKER

(out of breath)

Oh my god! Did I just...

SPEAKER

(out of breath)

I knew I was pent up, but I didn't expect that.

SPEAKER

Yeah, we can take a shower together, but can we do that later?

SPEAKER

(longing)

Right now...I just want you to hold me. Can we just do that?

SFX: CHAIR SHIFT MOVEMENT

SPEAKER

Thank you.

SPEAKER

I've missed you.
