

BATMAN

You won't get away with this. Superman is on his way as we speak.

VILLAIN

Hah! Superman will be focused on "other things" when he gets here.

VILLAIN

Have you not noticed what's in this room?

BATMAN

Kryptonite! But...why is it pink?

VILLAIN

Oh, you'll find out soon enough.

SFX: WALL CRASH

VILLAIN

Well, if it isn't the golden boy himself.

SUPERMAN

Stop right there!...Wait! Is this pink kryptonite?

VILLAIN

Why, yes, it is! And I bet it's taking effect right now.

SUPERMAN

The only thing that is taking effect is me putting you in jail.

VILLAIN

Wait!? What!?

VILLAIN

(pained grunts and moans as he gets punched)

BATMAN

Finally. Now get your sexy ass over here and untie me.

BATMAN
(Realized what he just said)
Wait...What?

SUPERMAN
Batman, are you okay?

BATMAN
Nothing but a few rope burns to my wrist.

BATMAN
(aroused)
(sniff) Superman are...are you wearing a new cologne or something?

SUPERMAN
(concern)
Batman, are you sure you're okay?

BATMAN
(snapping out of it)
Yes, I'm fine...I just...

BATMAN
What's with this pink kryptonite anyway? He was going on about how it was going to stop you.

SUPERMAN
Don't worry about that. Right now, let's focus on getting you out of this chair.

SFX: FABRIC RUB

BATMAN
(moan)

SUPERMAN
...Batman?

BATMAN
(aroused)

I don't know what's happening to me...you just...look so damn good...even more than usual.

SUPERMAN
More than...usual?

SUPERMAN
(chuckle) I see...

SUPERMAN
(seductive/sultry)
Batman, do you really want to know what pink kryptonite does?

BATMAN
(aroused)
Please stop smiling at me like that...it's making me...feel hot...

SUPERMAN
For kryptonians, it helps some of us come to terms with our sexuality. A coming out drug if you will.

BATMAN
What are you...saying...god your eyes are beautiful...

SUPERMAN
I'm saying I'm gay, Batman. And if I hadn't realized my sexuality years ago, this pink kryptonite would have helped me figure it out right now.

BATMAN
Bu...but that only works on Kryptonians right?

SUPERMAN
That's what I thought...but it seems to be having an effect on you. Tell me, Batman...do you have any kryptonian in you.

BATMAN
You know I don't...you...gorgeous bastard.

SUPERMAN
Would you like some?

BATMAN
What!?

SFX: FOOTSTEPS

BATMAN
H-Hey...don't look down there.

SUPERMAN
Well, Batman, is that the Batarang or are you just happy to see me?

BATMAN
Enough with the cheesy pickup lines.

SFX: FABRIC RUB

BATMAN
(aroused gasp)

BATMAN
(light moans)

SUPERMAN
These tights really leave nothing to imagination, huh Bruce?

BATMAN
At...at least... untie me first...

SUPERMAN
No...I think I like having you like this.

SFX: UNZIP

SUPERMAN
(sucking him off)

BATMAN
(improv moaning)

SUPERMAN
(sucking him off faster)

BATMAN
(faster improve moaning)

BATMAN
(orgasm)

BATMAN
(panting)

SUPERMAN
(swallow)

SUPERMAN
(joking)

Wow! And they say I cum faster than a speeding bulle-

BATMAN
(angry/embarrassed)
Shut up!
